

# HOW TO SHARE FINANCIAL TIMES ARTICLES

There are several ways in which you can share FT articles that are in line with our terms and conditions.

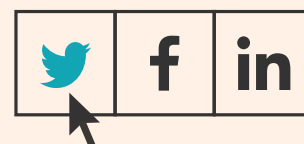

## Gift articles

As a premium subscriber, you can gift up to 20 articles a month to non-subscribers and they can read the full article for free. Simply click the share icon to gift an article via link or email.

## Share via social media

You can also share articles on Twitter, Facebook and LinkedIn and your contacts can read one full article for free. Simply click the icons and create your post.

## Need help?

For any questions you may have on sharing articles or any other FT.com feature, you can contact your organisation's customer success manager.
